### ONSF Golf OUTING Presented by ONS Foundation

GREENWICH, CT – The **ONS Foundation for Clinical Research and Education (ONSF)** in conjunction with **Greenwich Hospital** held its **6th Annual Golf Outing on Monday, June 9<sup>th</sup> at The Stanwich Club**. Following the tournament, the 95 golfers were joined by an additional 75 non-golfing friends and other supporters at a cocktail reception, auction and dinner. **ONSF** President, **Dr. Paul Sethi** honored **Frank Corvino**, retiring Greenwich Hospital President and CEO, for his dedication to the care and treatment of patients in the community and far beyond. “Mr. Corvino has been the guiding force behind building a state of the art hospital campus with the world’s best equipment in our operating rooms. As a result, we attract surgeons from the highest caliber training programs in the world allowing us to deliver unmatched patient care.” In addition, his commitment to **ONSF** as a member of its Board of Directors was recognized.

The event was co-chaired by **Michael Clain, MD, Rich Granoff** and **Vicki Leeds Tananbaum**. On the course, **Dr. Sethi** was joined by **Tim Hasselbeck**, former NY Giant quarterback and ESPN analyst.

Silent and live auctions were co-chaired by **Janet Delos, Rebecca Karson, Lauren Mazzullo** and **Amy Sethi**. Neurosurgeon, **Dr. Paul Apostolides**, served as “charity” auctioneer and encouraged lively bidding on Live Auction lots. Golf outing sponsors included Greenwich Hospital, Constitution Surgery Centers, Bershtein, Volpe & McKeon P.C., *Fairfield County Look*, Greentree Toyota Scion of Danbury who provided the “hole in one” car, The Insurance Exchange, Granoff Architects, Watson’s Catering, Tripp Lake Camp and Camp Takajo, Horseneck Wine and Liquor, Thomas Cleaners and many other generous businesses and individuals.

The 2014 event raised \$250,000 and proceeds will expand **ONSF’s** ability to utilize its **Arthroscopy, Surgical Skills and Biomechanical Research Laboratory** to enhance future research projects. The ultimate goal is to further outfit the Lab for studies in motion analysis.

The **ONS FOUNDATION FOR CLINICAL RESEARCH AND EDUCATION**, a Greenwich Hospital alliance, strives to improve standards of excellence for the treatment of musculoskeletal disorders through clinical research, physician and patient education, and community outreach programs.
