ONSF Hosts Medical Intern from Korea

GREENWICH, CT – From December, 2016 to mid-February, 2017 **ONSF** (ONS Foundation for Clinical Research & Education) hosted a winter break internship experience at its Greenwich, CT location for a medical student from Korea, John Je Chan Lee. John, a former Cornell University student, is currently attending Eulji University School of Medicine in Korea.

Dr. Paul Sethi, **ONSF** President and Cornell University Human Ecology alumnus, invited John to participate in the internship and acted as his mentor during the course of study. In addition, Dr. Sethi and John will co-author a textbook chapter on shoulder replacement.
